## EPIC Online Technology Meeting on Microscopy

### AHF - YOUR PARTNER

for spectroscopy in trace element analysis  
and bioanalysis

**1981**

AHF established by  
Helmut Feuerbacher

**1998**

Company transformation to  
AHF analysentechnik AG

**More than 35 years of experience**

## EPIC Online Technology Meeting on Microscopy

### AHF is a solution provider for

- Optical filters and filter sets for fluorescence, Raman and laser microscopy
- LED light sources for fluorescence microscopy
- Customized filters for fluorescence modules e.g. for POC instruments, laser welding, ...

## EPIC Online Technology Meeting on Microscopy

### Perfectly matched multiband filter sets for LED light sources
