aidro
hydraulics & 3D printing

Hydraulic components
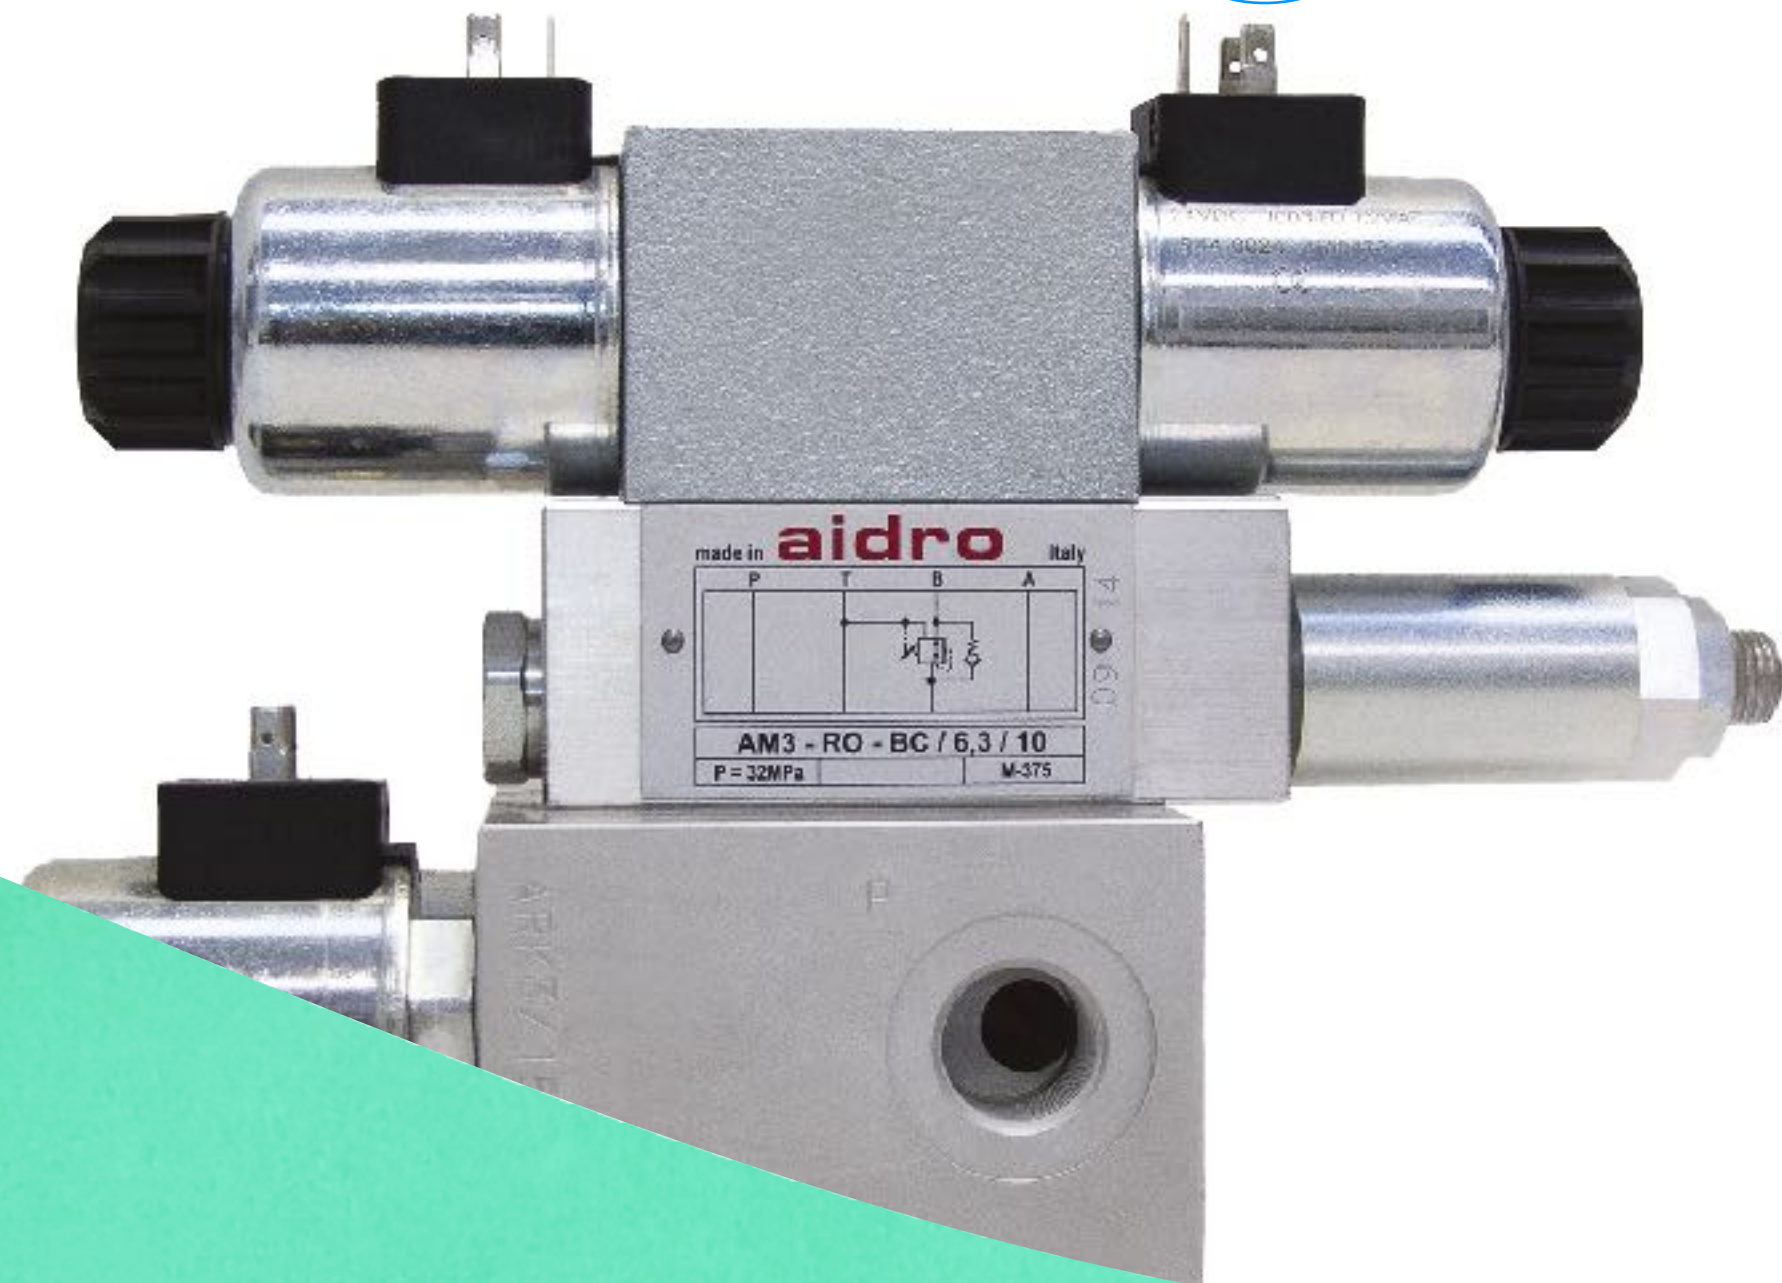

Additive Manufacturing

made in **aidro** Italy

AM3 - RO - BC / 6,3 / 10
P = 32MPa   M-375
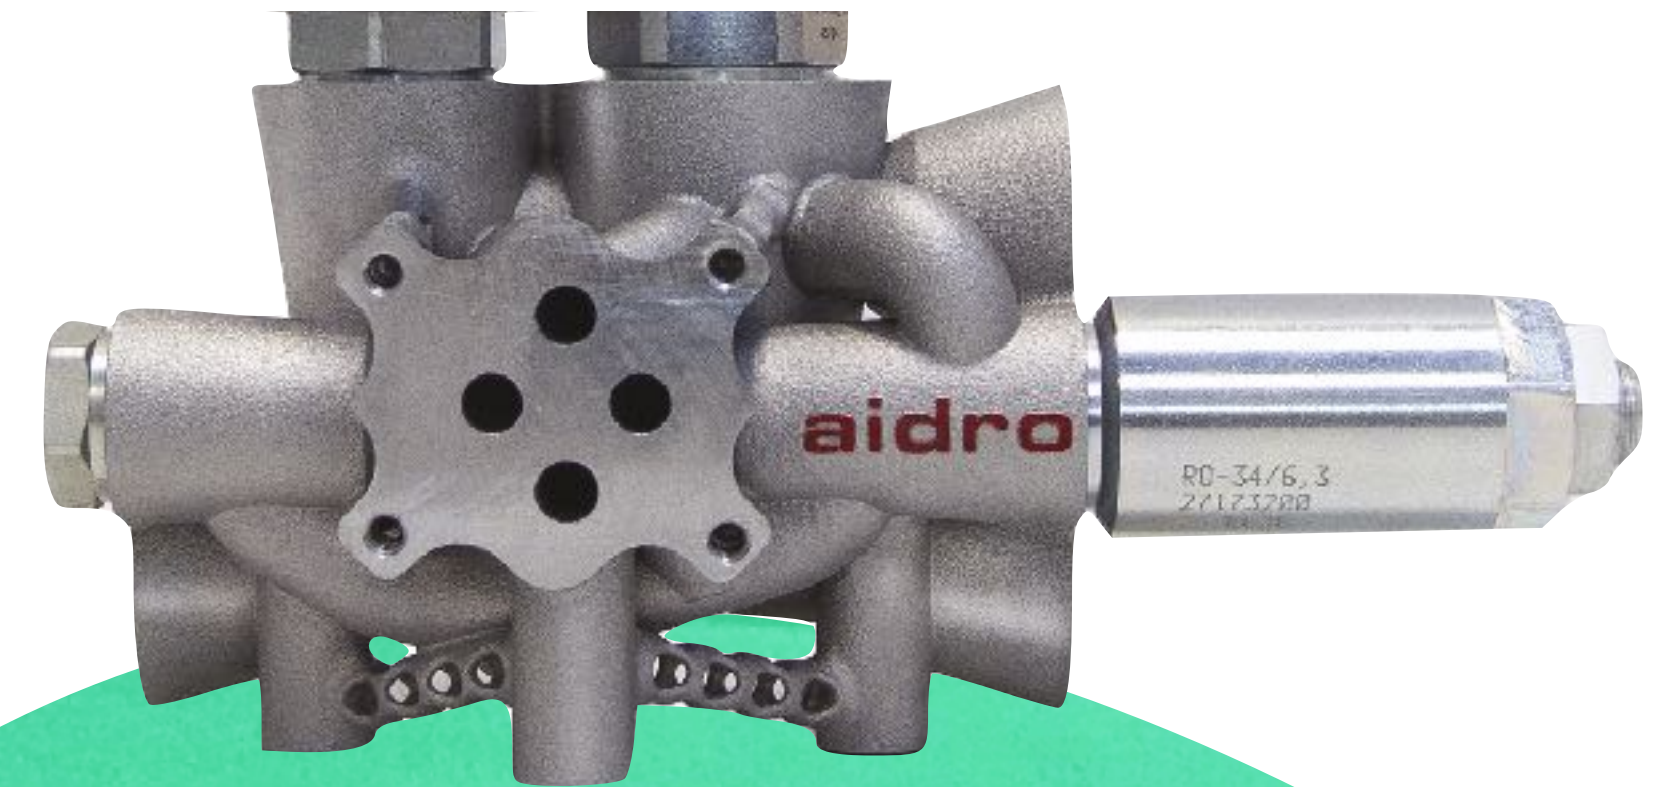

What can Aidro offer to you?

- **Engineering and design**

- **Accelerate R&D with fast prototype**

- **Innovative and smart components**

- **Partnership in digital Transformation**

What can you do for Aidro ?

- Share Challenges

- Make Possible the Impossible

- Innovative and sustainable parts

- Partnership in digital Transformation
