

Actuators

Electric drives

Pneumatic grippers

Industrial robots

Vacuum technologies

Valves and valve terminals

Motion Terminal  
**FESTO**

## What we do.

**Industrial automation**  
for productivity in production

**Process automation**  
for safety during ongoing operations

**LifeTech automation**  
Smart solutions for laboratory and medical devices

**Technical education**

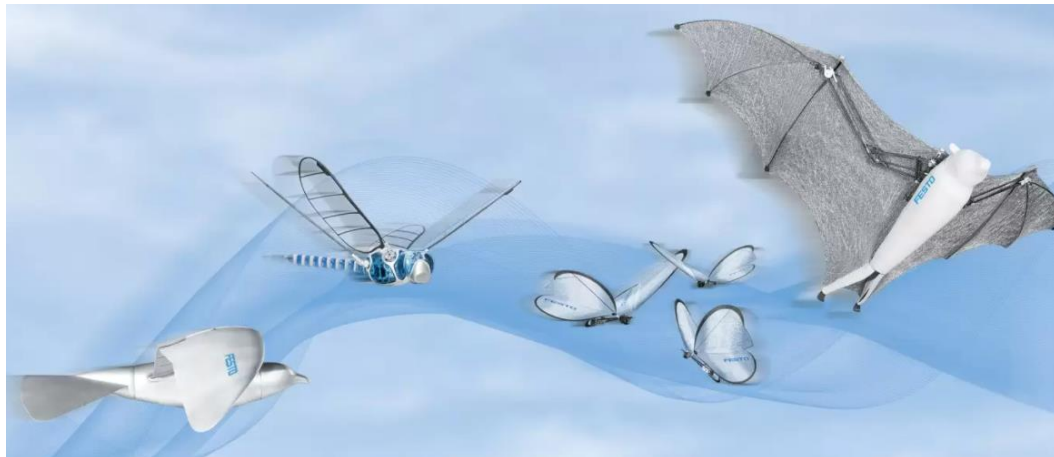

### Global Player and Family Business.

Founded: 1925

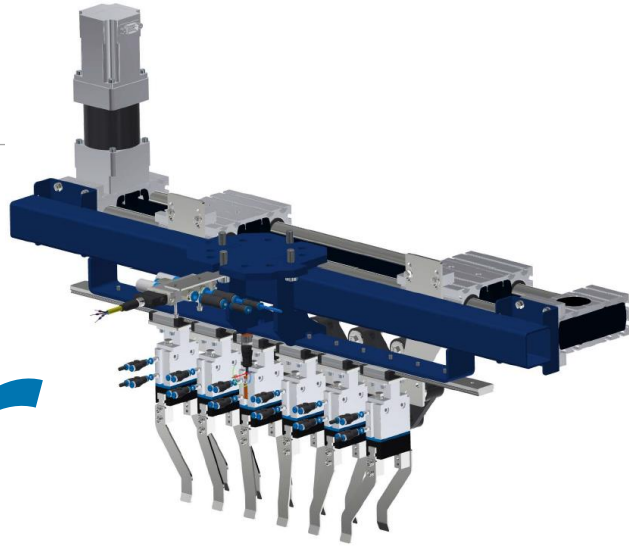

Turnover: 2,84 B €

Employees: ~ 20.000 worldwide

R&D: 8% of turnover

What we start.

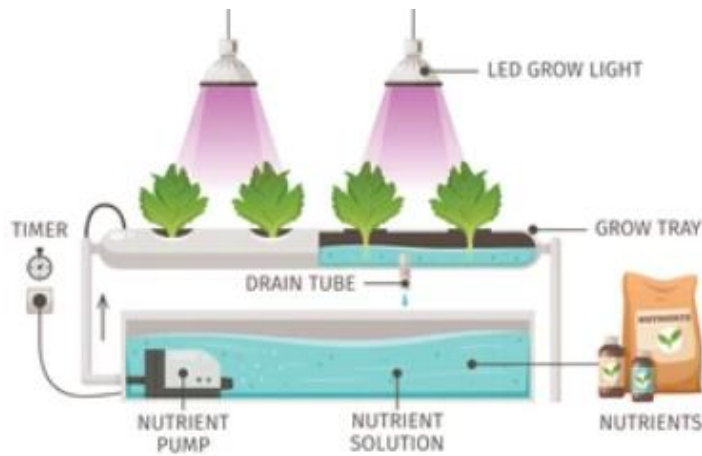

Gripping

Motion

Dosing

## What we look for.
