

Phabulous

THE EUROPEAN **PILOT LINE** AND ONE-STOP-SHOP
FOR THE MANUFACTURING OF **FREE-FORM MICRO-OPTICS**

EPIC
European Photonics
Industry Consortium

Monday, 28 March 2022, 15:00 - 17:00 CEST
EPIC Online Technology Meeting on Laser Range
Finders and Sports Optics

A promotional banner for an EPIC meeting. It features the EPIC logo (three colored circles: blue, green, red) and the text 'EPIC European Photonics Industry Consortium'. The background is a photograph of a man in a grey cap and blue shirt looking through binoculars. A red banner at the bottom contains the meeting details: 'Monday, 28 March 2022, 15:00 - 17:00 CEST' and 'EPIC Online Technology Meeting on Laser Range Finders and Sports Optics'.

MICRO-OPTICS IS...

Phabulous

Free-form micro-optics

- Micro-optical components without any symmetry constraints
- Offering new and miniaturized solutions
- Gaining increased industrial interest

MICRO-OPTICS IS...

Phabulous

Free-form micro-optics for sport equipment

- Efficiency increase on local solar cells for power supply
- Decorative design
- Increased aerodynamics
- Integrated displays

WHAT CAN WE DO FOR YOU

END-USERS

- Manufacturing services
- Prototyping → piloting → large volume production
- Funding opportunities through the open call

www.phabulous.eu/open-call

WHAT CAN WE DO FOR YOU

TECHNOLOGY PROVIDERS

- Integration into the value chain for micro-optics
- Organization registry → Marketplace → Community
- Lead generation
