Basic function of a Dichroic Filter

Those EPIC questions again.....

▶ What can we do for you ?

▶ Mid IR prototype filters & Beam-splitters

- ▶ Rapid turnaround
- ▶ Designed with expert knowledge
- ▶ Low cost

▶ Ian Reilly (MD, Vortex Optical Coatings Ltd)

▶ +44 1455 613029

What you can do for us

- ▶ Keep sharing the knowledge out there
- ▶ Keep putting the challenges out there
- ▶ Consider us as your partner for developing MID IR sensing systems
