

19-20 April 2023. Porto, Portugal

EPIC Meeting on Fiber Sensors at HBK FiberSensing

European Photonics Industry Consortium

- EPIC **Meeting** on Fiber Sensors at HBK FiberSensing, not a conference. Be ready to participate.

- **Collaboration:**
 - What can I do for the others?

 - What can the others do for me?

 - What can we do together?

- **Technological discussion** after each presentation (questions, comments, remarks...)

- **Networking time and discussion**, during coffee breaks, lunch and dinner (more than 80 persons registered!!)

- **Learn, Connect and Enjoy!!!**
