

Stronger Together Photonics & Semi:

Serena Brischetto
Director Marketing & Digital Engagement
SEMI Europe

Digitization Driving Exponential Growth, \$1T by 2030

\$500B+ sales in ~50 years → ~\$1T by 2030

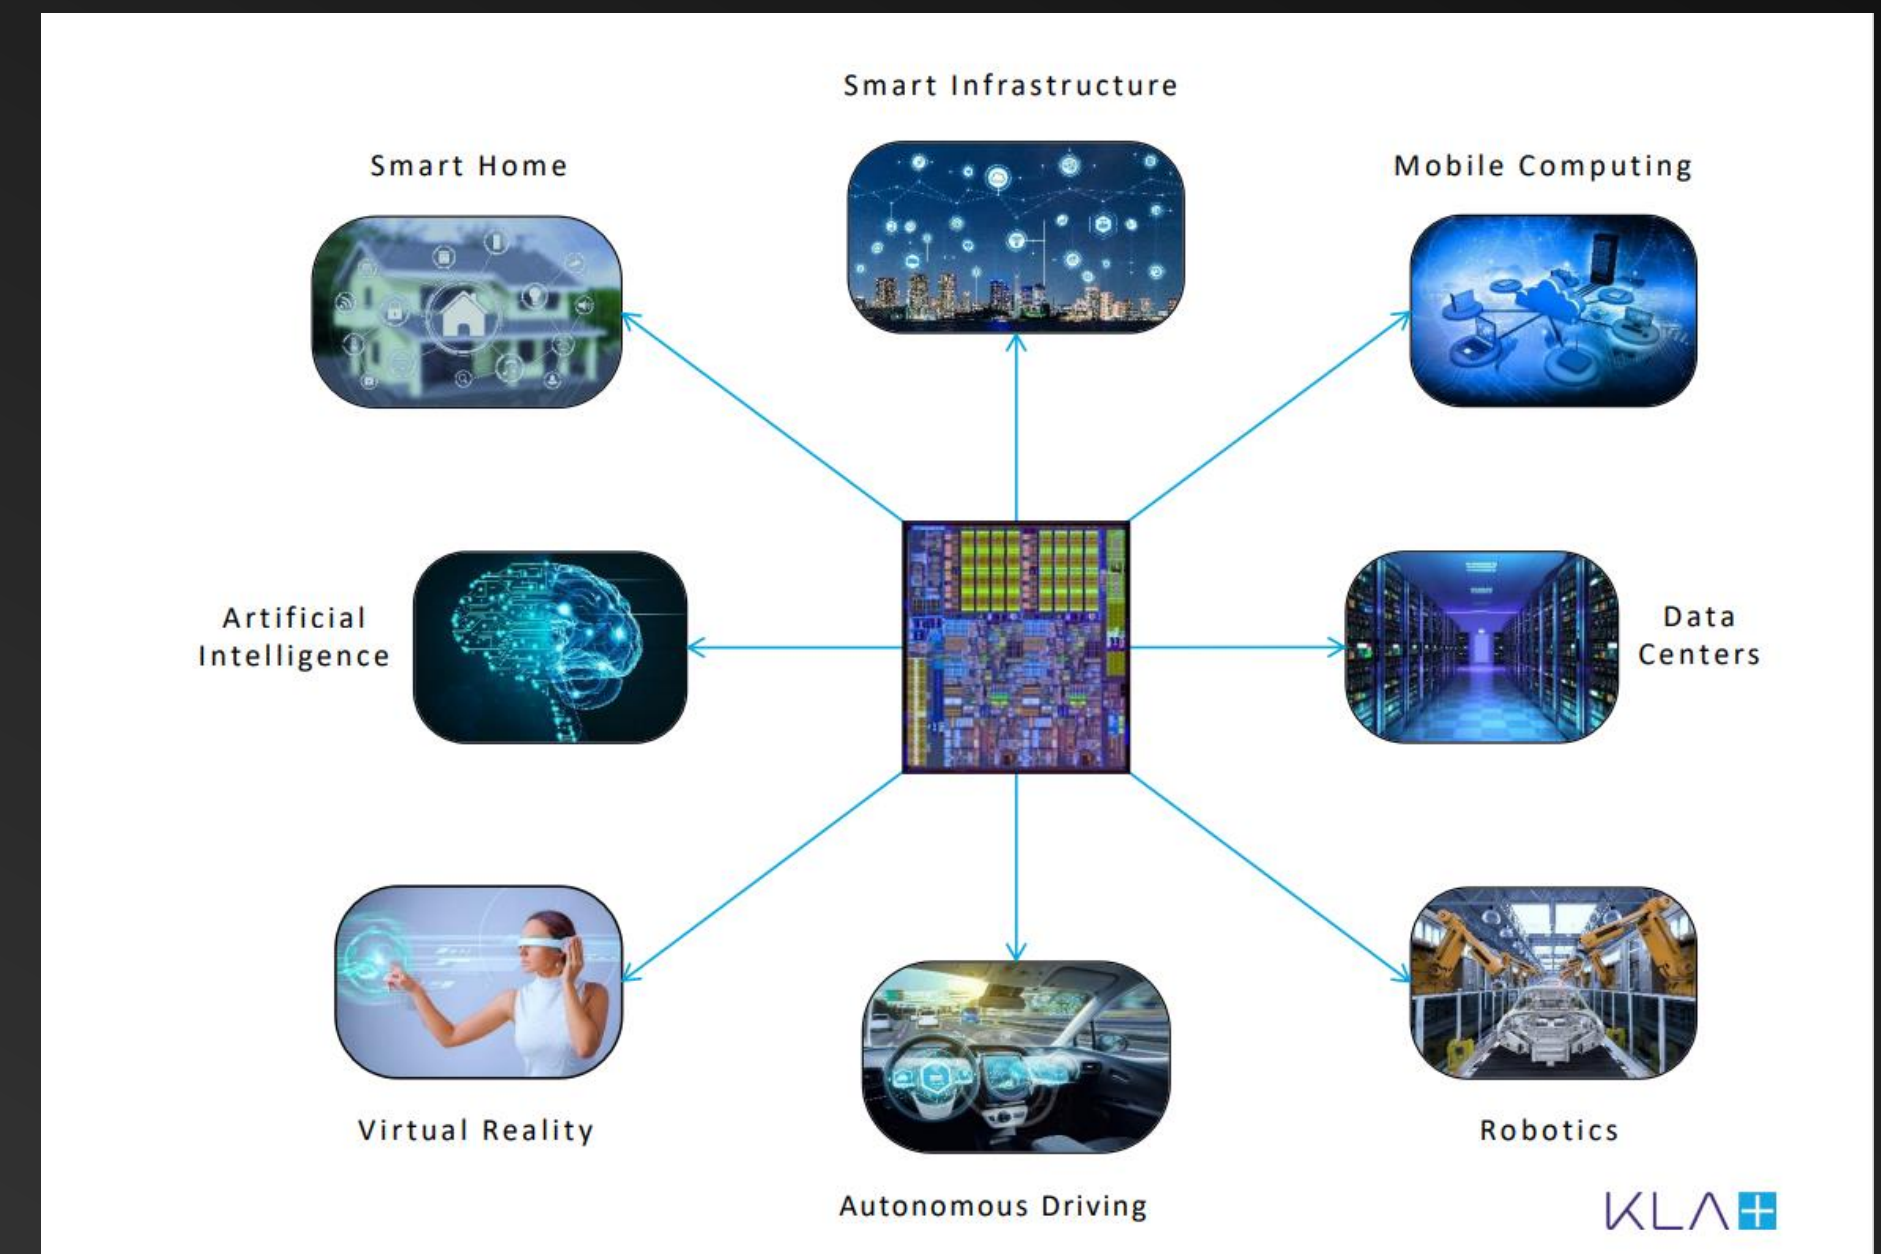

Sources: Bank of America, SEMI

Growth in Digitization

=

More Data More Bandwidth

Packaging is key

Demand for High Bandwidth & High Performance is growing exponentially

Low Power & Low Cost? Essential!

Photonics & Semiconductors Enabling the Advanced Packaging Roadmap

Microelectronics & Photonics
Two Sides of One Coin

Microelectronics & Photonics Two Sides of One Coin

It's happening!

Session 5: Photonics Integration

**3D &
SYSTEMS
SUMMIT**

**4:40 pm -
4:45 pm**

Ivan Nikitski
Technology Manager
EPIC

Opening Remarks by Session Chair
